What this place needs is you..

United Way of Greater Texarkana Campaign Chair **Tina Bell** LIFENET

United Way of Greater Texarkana tackles the source, not just the symptoms of our community's core challenges. That's how we go beyond short-term charity for a few to long-lasting solutions that lift up the whole community.

COUNTY REACH MAP

Our community is making life better for individuals and families who are struggling and in need. United Way of Greater Texarkana and partners work with 25 agencies throughout 30 programs impacting education, health, and income.

These programs assist the diverse individuals that comprise Northeast Texas and Southwest Arkansas communities- and it's making a difference. Donations along with volunteer efforts are what help fund and make these programs available to at-risk youth and adults.

A one time **\$25** donation will provide one child 12

A report of child abuse is made every 10 seconds.

Today, 1 out of 4 children in our community is food insecure.
