*TOGETHER WE CAN*
United Way of Greater Texarkana connects people to solutions that build a stronger community.

Because great things happen when

LIVE UNITED

United Way of Greater Texarkana tackles the source, not just the symptoms of our community’s core challenges. That’s how we go beyond short-term charity for a few to long-lasting solutions that lift up the whole community. We reach zip codes in 9 counties: Bowie, Miller, Titus, Marion, Cass, Morris, Red River, Little River, and Lafayette.

1 PLEDGE reaches 30 programs.

DID YOU KNOW?

A one time $25 donation will provide one child 12 books for a year.

Today, 1 out of 4 children in our community is food insecure.

A report of child abuse is made every 10 seconds.

The illiteracy rate is 18% in Texarkana.

1 out of 4 children’s families does not have the resources for basic school supplies.

17% of people with disabilities participate in the workforce compared to 65% of citizens without.

What this place needs is you...

United Way of Greater Texarkana Campaign Chair
Keith Cragg
Centerpoint Energy-Texarkana

Our community is making life better for individuals and families who are struggling and in need. United Way of Greater Texarkana and partners work with 26 agencies throughout 30 programs impacting education, health, and income.

These programs assist the diverse individuals that comprise Northeast Texas and Southwest Arkansas communities - and it’s making a difference. Donations along with volunteer efforts are what help fund and make these programs available to at-risk youth and adults.

Everyone working together makes a more stable and prosperous community, and a brighter future. Learn how we’re bringing together the passion, expertise and resources of our communities.
